NO FIREWORKS FOR STANFORD THIS XMAS

COUNCIL ORDERS LAW ENFORCEMENT AND REFUSES TO RE- DUCE SELLING LICENSE

Firecrackers may not be fired with in the city limits of Stanford during the Christmas holidays. This was the effect of the City Fathers at a meeting of the council last Thursday night. The marshal was instructed to rigidly enforce the city ordinance, prohibiting the use of firecrackers of any kind, and all offenders will be prosecuted to the full extent of the law.

A strong effort was made to reduce the license imposed by the city for the sale of fireworks in the city but it was defeated by a close vote. Councilman Shugars led the fight for a reduction of the license fee from \$100 to the present figure of \$25. He argued that the city which needs money so badly, might as well get the benefit of the sale for Christmas of fireworks for they will be sold anyway outside the city limits by several local dealers. The bustling local merchant has been in the habit of carrying a tent just outside the city limits and there dispensing fireworks to all who wish to celebrate the glad Christmas time in that fashion.

Councilman Shugars contended that as fire crackers are sold anyway to all intents and purposes in the city, that the city ought to get some benefit from their sale but the majority did not think his plan best and so voted his plan down. And then to prevent as far as will be possible disaster of accidents from the use of fireworks during Christmas time, it was decided to have the ordinance against the use of fireworks rigidly enforced this year.

The city officials drew their semi-monthly salary checks at the meeting Thursday night, which of course put them all in happy frame of mind for the glad Christmas time.

The Council adjourned to the 20th when a number for street work, paving etc., will be considered.

The railroad has agreed to rebuild the bridge over the creek on the street leading to the depot, which will be a big improvement.

WEDDING OF WELL KNOWN COUPLE AT MILLERSBURG

The Frankfort News in its issue of Saturday contained the following account of the wedding at Millersburg of Miss Elizabeth Allen and Jesse M. Alverson, which will be much interested here where the groom lived for so many years and where the bride is also very well known and popular.

At three o'clock this afternoon Miss Elizabeth Allen was united in matrimony to Mr. Jesse M. Alverson. The wedding took place at the home of the bride "Forest Hill," in Millersburg, before a large number of friends of the happy couple. To the strains of the wedding march from Lohengrin on the harp and violins, Mrs. Charles W. Kirkpatrick of Mt. Sterling, and Mr. Henry Lawrence of Cadiz, appeared on the wedding stairway, while following them came Miss Sallie Taylor Woods, of Stanford, and Judge William E. Downing, of Lawrenceburg. Miss Gertrude Stead, of Shelbyville, the maid of honor, entered with John John M. Lassing, of Newport. Miss Allen, the fair bride, followed the bridal party which was met by Mr. W. E. Ellis, of Cincinnati, who had the nuptial knot, while the handsome maid and groomsmen stood before a lower of palms and ferns, and pink cathedral canopies shed a soft glow on the assemblage. The ceremony was beautiful and impressive.

The handsome bride was radiantly happy in her wedding robes of white chiffon over satin, with trimmings of red, blue, pearls and crystals. The short bridal veil was caught with orange blossoms and the only ornament was a handsome, pearl necklace, the gift of the groom. She carried a shower bouquet of valley lilies. Mrs. Kirkpatrick was strikingly handsome in blue marquisette over satin, on train, with panel of point lace, pearl and crystal trimmings.

Miss Woods gown was of pale blue, chiffon over satin with lace trimmings. The maid of honor, Miss Stead, was robed in pink and white chiffon over satin with panel of white ermine.

Immediately after the ceremony an informal reception was held and refreshments were beautifully served. The individual guests having the initial "A" in their names and the brides were pink robes. The guests old and young were beautifully decorated throughout with potted plants and Killarney roses, and was a beautiful setting for the affair.

After the wedding and reception, Mr. and Mrs. Alverson were driven in an automobile to Paris, where they caught the train for Cincinnati and went to New York for a three weeks' stay. They will be at home in this city at Mrs. William O'Donnell's on Shelby street, South Side, after the first of January.

Mrs. Alverson is very pretty and the youngest daughter of Mr. M. Allen, a banker of Millersburg, and will receive a hearty welcome on her arrival here. Mr. Alverson is a former resident of Stanford, but for almost a year he has resided here, where he is popular and a valued employee of the Frankfort Printing Company.

Many useful and beautiful gifts in cut glass, silver, china and linens were received by the young couple. Among the number were \$100 in gold from Judge Lassing, and several large checks from the bride's father. Among the prominent guests in attendance were Mr. C. A. Harbin, of Harrodsburg; Mr. and Mrs. S. A. Shanklin, of Mayfield; Mr. and Mrs. R. E. Fleming, of Louisville; Mr. and Mrs. W. P. Walton, of Lexington; Miss Rosa Walton, sister of the groom; Misses Mary Fleming and Irene Alverson, of Harrodsburg; Mr. George H. Peters, of Louisville; and Senator R. L. Hubbs, of Stanford.

TEN MORE TOBACCO TRUCKS SENT HERE

KINCAID EXPECTS ORDERS TO RESUME BUYING SOON. CROP SHORT HERE NEXT YEAR

Although W. P. Kincaid has not yet received orders from the Louisville Tobacco Warehouse to resume the buying of tobacco at his warehouse here, he is confident that orders will be received within a few days for he received a letter from the house yesterday in which he was informed that he had just been shipped 10 extra railroad trucks. As Mr. Kincaid already had eighteen on hand, he believes that this information is indicative of the intention of the Louisville house to resume buying on a heavy scale at a very early date. Some Lincoln county tobacco growers are selling their crops at the loose leaf warehouses in Danville, for what they can get for them, but those who have weed of quality are holding for the resumption of buying here, for even, realizes that good tobacco is sure to bring a good price and no one is alarmed.

It is practically certain that the slump in the tobacco buying here will mean that the crop of the weed grown in Lincoln next year will be very light. The farmers seem determined to turn their attention more to corn, wheat, hogs and cattle, and not take another chance on a product that requires so much effort to get in shape for sale and then is liable to drop to a price which will make their labor unprofitable, after all.

Nice Building Lot

SOLD BY HARVEY HELM TO MRS. H. M. BALLOU.

Congressman Harvey Helm last week sold to Mrs. H. M. Ballou the garden lot of his property on Danville avenue, for a price which was private, but is understood to have been around \$1,000. This place adjoins the place now occupied by J. M. McElroy and family on the south, and one of the most attractive building lots in the city. It is understood that Mrs. Ballou will, early in the spring begin the erection of a handsome dwelling there. Mrs. Ballou, who has made her home in Lancaster for a number of years, will be cordially welcomed to Stanford.

13-Year-Old Bride

PARENTS CONSENT TO ISSUANCE OF LICENSE TO WED

One of the youngest brides heard of in this section of the state in a long time was licensed to wed by County Clerk George H. Cooper this week, upon the filing of written permission from her parents, Peat and Julia Turner. The young girl's age was given at 13 years while that of the groom was given in at 22 years. The contracting couple were E. D. Ervin and Miss Dorothy May Turner. They are Leslie county people and recently moved to Lincoln to make their home.

County Clerk Cooper says that he has on one or two previous occasions issued license to couples where the girl was as young as 13 but never yet has he gone under that age.

License was also issued to William Porter a prominent and well known Lincoln county farmer and Miss Leahy, his daughter, to wed. They have the best wishes of a wide circle of friends.

LAMP CAUSES LOSS OF TOBACCO BARN

WHITE'S MILL FARMER WAS WORKING ON HIS CROP AT NIGHT—EAST END NEWS

The tobacco barn of E. L. Wilson who lives near Whites Mill, went up in smoke Monday night as the result of a lamp upsetting. Mr. W. was basking his crop at night to take advantage of the damp weather. The lamp was on some hay and overturned while the men were in another portion of the building. The barn and crop were insured.

Chas. Ooten, of Tappanna, is taming a wild duck which he found in a drift on the river. It had a broken wing and it being a large mallard he put it with his tame ducks. At first it refused to eat, but now is as greedy as ducks ever get to be.

J. H. Thompson while he plug at dog killing, was knocked over and severely bruised by a vicious porker which paid the penalty instantly.

Recent advices received here, from the Lexington asylum state that the condition of Mr. and Mrs. Menefee is as follows: No change in Mr. Menefee perfectly quiet. Mrs. Menefee is slightly improved.

Little Miss Iva Thompson has been quite sick. Mrs. Tim Naylor is quite ill.

Mr. Frank Higby tendered his resignation as superintendent of the Baptist Sunday school. He will spend the winter at Tucson, Arizona, with relatives.

Mason Holtzclaw and family have moved to Garrard county. We regret to lose this nice family.

STOPPING YOUR PAPER

The editor of the Martin Mail has the following to say:

"Some time ago a cranky sort of individual came into this office and stopped his paper because something in it did not exactly suit his fancy. We have frequently met him on the street since then, and it is amusing to note the look of surprise on the old fellow's face when he realizes that the editor is still in existence, regardless of the fact that we are no longer getting his dollar."

"Some day, however, and it will not be long, that old gentleman will turn up his toes. His head will be still here, however. There will be a display of pretty posies and croes and the neighbors and friends will follow his lifeless clay out to the 8th City and lay it to rest in the deep, dark tomb."

"An obituary will be published in this paper, telling what a kind husband, loving father, good neighbor, beloved citizen, and how progressive and public-spirited he was—which the recording angel will look over for charity's sake—and in a short time he will be forgotten."

"As he lies out there in the cold, cold graveyard, wrapped in the silent slumber of death, he will never know the last kind word spoken of him: will be by the editor of the paper which he so spitefully stopped."

"Have you gentle reader, ever paused a moment to think that your editor—whoever he may be—will some day write your obituary?"

A sprained ankle will usually disable the injured person for three or four weeks. This is due to lack of proper treatment. Many persons find themselves attacked with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by Penny's Drug Store.

The United States Department of Agriculture conducted experiments at Round Hill and McLean, Va., and at Picketon, Ohio, that seem to point to a better way of planting corn. Mills of four stalks each placed at one of the four corners of a square, or not less than five inches. The increased yield over ordinary methods of planting corn at the three places respectively were 1.4, 5 and 4 per cent. The corn was cultivated as easily as ordinarily spaced corn and stood up better. It is suggested that a plant be made with two stalks for each corn row and separate tube for each kernel so that the corn may be planted according to the new method as rapidly as it is now planted with present day tools.

The old story of what the Governor
of North Carolina said to the Gov-
ernor of South Carolina, was brought
up at the Conference of the Govern-
ors at Frankfort last week. The true
version is said to have been, that
when the two executives of the Caro-
linas got together, one remarked "Re-
member the fate of Montgomery."
"Who was Montgomery?" queried the
other. "He's the man who died be-
tween drinks." As one of the chief
features of the entertainment at the
Capital City was an elaborate recep-
tion by Col. E. H. Faylor, inventor
of the famous Old Faylor brand of
whiskey, we opine that none of the
visiting governors was in danger of
meeting the fate of "Montgomery."

Ed Shinnick keeps on attacking
about Ben Johnson's religious views
in connection with his gubernatorial
campaign. So far as we can observe,
the Shelby Record man is the only
one who is paying attention to that
feature of the matter. We believe ev-
ery newspaper opponent of Mr. John-
son in the state is broad-minded
enough never to consider it under
any circumstances so why an avowed
advocate of Johnson keeps harping
on it we can't understand. Let the
subject drop, Friend Ed, you're the
only one who is worrying at all about
it.

Our good friend, Edward O. Leigh,
once private secretary to governors,
now editor of the Bowling Green Mes-
senger, has declared against Mc-
Creary, for governor. We expected
as much since learning where lay the
sympathies of "Judge" Henry H.
Hines. We know, however, that Ed
knows enough of the inside of con-
ditions at Frankfort in the past to be-
lieve that if he is forced by his patron
to swallow Ben Johnson, it's
going to be a mighty bitter pill.

Congressman Harvey Houn left Sun-
day for Washington to attend the op-
ening of Congress. This is the last
year he will be under the control of the
Republicans and it is expected that
that party will endeavor to accom-
plish all the good possible in order
to make things easier in the presi-
dential election in 1912.

Many a noble congressman will
sing his own song at the short ses-
sion of the national assembly which
convened at Washington Monday in
cluded among whom will be the Hon.
Don C. Edwards and James B. Hen-
nott of Kentucky.

WELL FITTING CLOTHES

There's no patent on the idea of wearing plain, well fitting clothes, nor is there a copy-right on selling them. Only so many people don't wear 'em or so many dealers don't sell 'em that it's always worth noting. We're here to sell clothes, and--we do. We sell good ones, but that doesn't mean they are dear. We buy carefully from makers we can depend upon, pay for and get good cloth, good lining, good workmanship and good fit. And we sell at a moderate profit.

NO SYMPATHY FOR THE RIDER
or driver who buys poor harness is necessary. When honestly made and guaranteed harness can be bought here so reasonably it is a man's own fault if he takes the risk of buying from a "quail order catalogue". Profit by others' experience and buy your harness at home.

Fall And Winter Suitings

My new fall and winter samples are now ready for your inspection. They comprise the best on the market. I can suit any one as to price who has his clothes made to order. A suit made to your measure is preferable to ready made clothes. To have them made to measure doesn't cost any more than ready made when quality and fit is considered. Come in and let me take your measure. H. C. Hupley the Practical Tailor.

MANY DOLLARS HAS GONE UP IN SMOKE
that might have been saved by a fire insurance policy. If you have no insurance on your property, take our advice and insure in the Continental company. It makes us weary and sad when a fire occurs to think that a man hadn't gumption enough to secure a good war from properly drawn policy in the Continental don't be unwise. Insure in time. You will thank us for the tip.
